

UK National Pavilion at Agro Spring

(former [Grain Tech](#) / [Agro Animal Show](#) / [Fruit, Vegetables, Logistics](#))

18-20 February 2020, Kyiv, Ukraine

Showcase your company and meet major buyers at a leading agricultural trade show!

The event is supported by the Eastern Europe and Central Asia Network (EECAN) GREAT Agritech Campaign by Department for International Trade.

Event overview

- 21,000 m2 exhibiting space
- over 300 exhibitors from over 23 countries
- over 20,000 visitors from leading Ukrainian/CIS companies
- over 30 UK companies take part in the UK National Pavilion

With over 32.5 m ha of arable lands, 11.6% of GDP and 42.5% of Ukrainian exports, Ukraine is No 1 producer of sunflower seeds and sunflower oil, No 2 exporter of grain and No 3 producer and exporter of barley.

Imports of agriculture machinery exceeded £2 billion making Ukraine one of TOP10 importers of agriculture machinery worldwide.

Big groups continue to invest in construction of new agro-industrial complexes and infrastructure, increasing the land bank.

Cattle breeding industry attracted 45% of total agri investments, sheep breeding benefits from an increasing interest.
